

Vermont Disclosure Of Request For Credit Report

I understand that in conjunction with my application for employment or promotion, reassignment, retention, etc., with _____ (“Company”), the Company will request a copy of a credit report on me. The reason that such a report is sought is (check all that applies):

_____ This information is required by state or federal law or regulation.

_____ The position requires access to confidential financial information: “Confidential financial information” means sensitive financial information of commercial value that a customer or client of the employer gives explicit authorization for the employer to obtain, process, and store and that the employer entrusts only to managers or employees as a necessary function of their job duties.

_____ Company is a financial institution as defined by 8 V.S.A. §11101(32) or a credit union defined by 8 V.S.A. §30101(5).

_____ The position requires financial fiduciary responsibility to the company or its customers, including the authority to issue payments, collect debts, transfer money or enter into contracts.

_____ The position has access to company payroll information.

_____ The position is that of a law enforcement officer, emergency medical personnel or firefighter.

_____ Personal credit history is a valid and reliable prediction of job performance in the position of _____.

CONSENT

I consent to Company obtaining my credit report and/or credit score in conjunction with the above indicated reason(s). I understand that this consent is for a one time release of my credit information, and if Company desires any future release, it must obtain my new consent. I understand that I have the right to dispute inaccurate, incomplete or misleading information contained in my credit report or credit history.
